Alan,

We will definitely be expanding the boundaries to include all of the San Pedro Public Market.

Lorena-

It was pointed out to me that Pbid's current boundary map cuts off the southern tip of the soon to be San Pedro Public Market. I seem to remember that was done to exclude the Jankovich fuel dock but since it will all be included let's be sure that we add that portion. Do we have a new map we are working with that includes the added port properties?

Ps. Still haven't got my Malaga signature cards yet but it's on my list.
